## BARGAIN PRICES

BEAUTY BUSH (*Kolkwitzia Amabilis*). One of the most hardy and beautiful shrubs that we offer. It is a shrub of year-round beauty, with graceful, spreading branches, literally covered with delicate pink flowers in early summer. Will grow as high as 8 feet. This bush will not always flower the first season, but it is a very outstanding shrub when in flower.

	Each	Per 10
12 to 15 inch, transplanted	.40	\$ 3.50
15 to 18 inch, transplanted	.60	5.00
18 to 24 inch, transplanted	.75	6.50

IBOLIUM PRIVETT (*I. Ibolium*). A very remarkable and hardy variety of privett, somewhat similar to the California Privett. We can recommend this variety very highly for Northern planting.

	Per 10	Per 100
12 to 18 inch, branched	.90	4.00
18 to 24 inch, branched	1.20	7.50
2 to 3 feet, branched	1.50	10.00

FORSYTHIA FORTUNEI (Golden Bell). This is a beautiful and very favorite shrub. Blooms early in the spring before the leaves appear, and the bright yellow, bell-shaped flowers are very showy. Grows erect.

	Each	Per 10
18 to 24 inch, transplanted	.30	2.50
2 to 3 feet, transplanted	.40	3.50
3 to 4 feet, transplanted	.60	5.00

RED LEAF BARBERRY. This is a new form of the Japanese Barberry. The rich bronze-red foliage makes a very striking appearance. Does best when planted to full exposure of the sun, and is fast increasing in popularity because of its usefulness in creating unusual and artistic effects.

	Each	Per 10
12 to 15 inch, transplanted	.50	4.50
15 to 18 inch, transplanted	.75	6.50

PHILADELPHUS NIVALIS. One of the most free flowering of all hardy shrubs. Beautiful, large, single white flowers.

	Each	Per 10
12 to 18 inch, transplanted	.15	1.00
18 to 24 inch, transplanted	.25	2.00
2 to 3 feet, transplanted	.35	3.00
